Summer Baseball League

Team Manager Registration begins March 1, 2010

The Billings Parks and Recreation Department will be offering a new summer baseball league, and is currently looking for team managers and coaches interested in putting together a team of 13 year old boys (age as of 5/1/2010) who have advanced baseball skills.

This league is specifically designed for play on field dimensions which are appropriate for 13 year olds - base paths 75ft., pitching mound 54ft., and the outfield fence 250ft.

Each team will play 20 games in Billings starting in the middle of May and continuing through the end of July.

This League will not conflict with Little League Junior's scheduled games or TOC's.

Each team will be responsible to provide their own equipment, including bats, helmets, catcher's gear and practice balls.

Uniforms, game balls and a home plate umpire will be provided by the League as a part of the Registration Fee.

Team Manager Registration Fee - \$150.00 (NON-REFUNDABLE).

Each Team Manager will be responsible for distributing parental waiver forms and collecting individual fees of \$150 for each player on the team. The Team Manager Registration Fee is transferable to a player on the team after April 15, 2010.

For more information contact Kory Thomson with the Billings Parks and Recreation Department 657-8376 or visit the Department's website www.prpl.info.
