

# BILLINGS COMMUNITY & SENIOR CENTER

## "The Generation Link"

**January-February 2012**

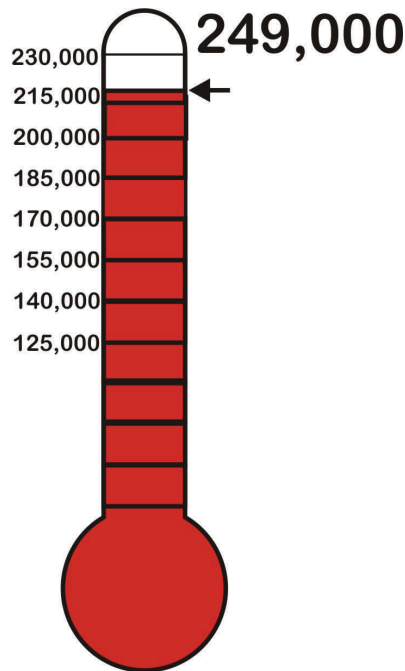

Published Semi-Monthly / Issue 201201

**657-3050**

Our primary focus is to serve active senior adults age 55 & over in the community. We provide a wide variety of services, social & recreational activities, and programs that promote healthy lifestyles & enhanced independence.

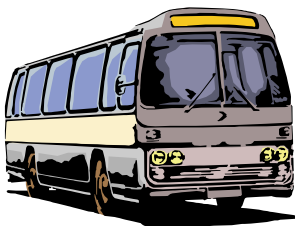

### PARKING LOT EXPANSION FUNDRAISER

Approximately 8 years ago, our Senior group purchased property to the east of our building for future parking. Those of you who have been here for the large holiday events can attest to the need for more parking. We continue to fundraise to pay off this property and gladly accept donations to make this process quicker. Please see the page 8 to donate. Contributions are Tax Deductible! Thank you for your support of this needed project!
