PARKING LOT FUNDRAISER

We made about \$1,500 on our August Car Wash, Barbeque, Book Sale & Raffle! Thanks to the support from community businesses and members like you! Special thanks goes to Rick & Janlyn Babcock who suggested and spearheaded this event; they did a tremendous job! A huge thank you also goes out to the kids who did car washes all day long (these were the Babcock grandchildren, their friends, and Clarabelle Gipson's granddaughter & great grandson)! Thank you also to Eddy Badura for all the work he did to assist with and coordinate this event. Space doesn't allow us to list all those who helped the day of the event (some all day long), but you know who you are and we thank you so much for your faithful help!
